Circular No. 2015/ 78

Dated:02/12/2015

To All Affiliates/State Units/Members

Dear Comrades,

OUR CALL FOR STRIKE EVOKES RESPONSE **IBA REPEATS ITS OLD STAND - REPLIED BEFITTINGLY** **DY. CLC (C) INVITES FOR CONCILIATION**

The strike call given by our Confederation has set the issues rolling ! Our Notice of strike and many reminders ultimately compelled the IBA to respond. We have received a communication ref no.HR & IR/ 2015-16/ XBPS/J/1722 dt. 01.12.2015. Though the response is on the lines of the stand taken by IBA throughout the discussions on Xth Bipartite Settlement and given in the Record Note signed on 25.05.15 alongwith the Joint Note for salary settlement, yet IBA has acknowledged that these are the issues which are pending and needs resolution through mutual discussions. We have promptly replied to their communication in a logical way supported by the laid down provisions and practices vide our letter ref no. IBA/128 dated 02.12.2015.

We further have to advise that Dy. CLC (C) has invited us for conciliation talks on 8th December, 2015 at 12.00 pm at Mumbai vide Ref. no. 8(7)/2015-S.I dt. 02.12.2015.

We are attaching all the communications for your information, record and circulation. We request our members not to be complacent on these developments and be in full preparedness for the success of our call, till there is any positive development, conveyed by the central office.

Comrades, this is a historic call of agitation given by our Confederation and possibly the first such call given by a single Officers' organization. Therefore, it is all the more necessary to ensure its success to give a message that we are the Organisation which can alone protect the interest of the officers working in the banking industry, entire workforce and common masses. Let us reach out to all stake holders and ensure to sensitise them about the evil designs of the cartel formed to destroy the Public Sector Banks (PSBs), the working conditions of its employees through multi pronged attacks leading to privatization of the PSBs - the lifeline of Indian economy.

With Revolutionary greetings,

Yours comradely,

(HARVINDER SINGH)
GENERAL SECRETARY

OUR UNITY LONG LIVE !
