### **QUOTE::**

Dear Comrades,

The arrogance and insensitivity of the Management has reached a point where the employees are left with no option but to go ahead with their agitation. In response to our strike notice, RLC had arranged a meeting yesterday. Even there the Management representatives made it clear that none of our ten point demands would

be considered or even be put to a discussion. Due to this stubborn attitude of the other side, the conciliation efforts failed, we are left with no alternative but to go ahead with our strike on Monday 26/02/2018 under the banner of Trade Union Front. We request the active support of all the affiliates.

Yours Comradely,
