Let us all derive more inspiration from the famous song of Sh. Rabindra Nath tagore " Ekla Chalo, Ekla Chalo re....", which translated in English conveys "Don't despair in all your worries , don't lose hope if you find yourself alone because then you must walk alone and alone you must overcome all the hardships in the path to your goal...." **Comrades, let us not relent in achieving our goals and be in full preparedness for the strike on 11th December, 2015 unless any positive development is advised from the Central office.**

With Revolutionary greetings,

Yours comradely,

(HARVINDER SINGH)
GENERAL SECRETARY
